Hey!, if we can solve any problem Then why do we lose so many tears	O! si possemus quamvis quaestionem expedire Tunc cur necese esset lacrimas effundere?
Oh, and so you go again When the leading man appears Always the same thing Can't you see, we've got everything goin' on and on and on	o, et tum iterum redis cum emendatus homo apparet semper idem nonne vides? omnia habemus sequamur, sequamur, sequamur
Every time you go away you take a piece of me with you Every time you go away you take a piece of me with you	Quotiescumque abis partem mei tecum fers Quotiescumque abis partem mei tecum fers
Go on and go free, yeah Maybe you're too close to see I can feel yor body move It doesn't mean that much to me I can't go on sayin' the same thing Just can't you see, we've got everything do you even know we know	Sequere et libera es, ita fortasse nimis prope es ad videnda sentire tuum corpus moventem possum non multum mihi valet continuare idem dicens non possum nonne vides tantum? omnia habemus Scis nos id scire
Every time you go away you take a piece of me with you, oh Every time you go away you take a piece of me with you	Quotiescumque abis partem mei tecum fers Quotiescumque abis partem mei tecum fers
I can't go on sayin' the same thing 'Cause baby, cancha see, we've got everything goin' on and on and on	Continuare idem dicens non possum quia care, nonne vides? omnia habemus, sequamur, sequamur, sequamur
