

Flans in vento Bob Dylan

Departamento de Griego IES Vegas Bajas

Ángel Luis Gallego Real

How many roads must a man walk down Before you call him a man?	Quot viae quae homo peragranda, antequam voces hominem.
Yes, 'n' how many seas must a white dove sail Before she sleeps in the sand?	Sic, et quot maria alba columba velanda antequam quiescat acta,
Yes, 'n' how many times must the cannon balls fly Before they're forever banned?	Sic et quotiens plumba ab cannonibus volanda, antequam ea vetatur in perpetuum?
The answer, my friend, is blowin' in the wind, The answer is blowin' in the wind.	Responsum, amici, flat in vento, Responsum flat in vento,
How many times must a man look up Before he can see the sky? Yes, 'n' how many ears must one man have Before he can hear people cry? Yes, 'n' how many deaths will it take till he knows That too many people have died? The answer, my friend, is blowin' in the wind, The answer is blowin' in the wind.	Quotiens homo conspicerendus Antequam possit caelum videre? Sic, et quot aures homo haberendus, antequam possit populum flere? Sic, et quot mortes erunt antequam is sciet nimium populum mortuum esse?
How many years can a mountain exist Before it's washed to the sea? Yes, 'n' how many years can some people exist Before they're allowed to be free? Yes, 'n' how many times can a man turn his head, Pretending he just doesn't see? The answer, my friend, is blowin' in the wind, The answer is blowin' in the wind.	Quamdiu mons possit durare antequam trahatur mare? Sic, et quamdiu homo potest durare antequam liceat liber fieri? Sic, et quamdiu homo aversatur dissimulans non videre?
