

Feeling my way through the darkness Guided by a beating heart I can't tell where the journey will end But I know where to start They tell me I'm too young to understand They say I'm caught up in a dream Well, life will pass me by If I don't open up my eyes Well, that's fine by me	Sentiens meum iter per umbram, ductus corde palpitante, non possum dicere quo iter finiat sed scio ubi incipiam. Dicuntur me nimis iunior esse ad id intellegendum, Dicuntur me assecutum esse in somnio, Bene, celeriter aetatem agam si oculos bene non aperio, bene, mihi bene est.
So wake me up when it's all over When I'm wiser and I'm older All this time I was finding myself And I didn't know I was lost	Itaque excita me cum omnia confecisset, cum sim doctior et senior, diu me ipsum quaesivi et nesciebat perditum esse.
So wake me up when it's all over When I'm wiser and I'm older All this time I was finding myself And I didn't know I was lost	Itaque excita me cum omnia confecisset, cum sim doctior et senior, diu me ipsum quaesivi et nesciebat perditum esse.
I tried carrying the weight of the world But I only have two hands Hope I get the chance to travel the world But I don't have any plans Wish that I could stay forever this young Not afraid to close my eyes Life's a game made for everyone And love is the prize	Onus orbis portare conatus sum sed tantum duas manus habeo, spero opportunitatem habere peregrinandi at nullum propositum habeo. Vellem esse iuvenem ad saeculum, non timeo oculos claudere, vita ludus omnibus est et amor praemium est.
So wake me up when it's all over When I'm wiser and I'm older All this time I was finding myself And I didn't know I was lost	Itaque excita me cum omnia confecisset, cum sim doctior et senior, diu me ipsum quaesivi et nesciebat perditum esse.
So wake me up when it's all over When I'm wiser and I'm older All this time I was finding myself And I, I didn't know I was lost	Itaque excita me cum omnia confecisset, cum sim doctior et senior, diu me ipsum quaesivi et nesciebat perditum esse.
I didn't know I was lost I didn't know I was lost I didn't know I was lost I didn't know, I didn't know	Nesciebat perditum esse, nesciebat perditum esse, nesciebat perditum esse, id nesciebat, id nesciebat.
