Never know how much I love you, never know how much I care When you put your arms around me, I get a fever that's so hard to bear You give me fever – when you kiss me, fever when you hold me tight Fever - in the the morning, fever all through the night. Sun lights up the daytime, moon lights up the night I light up when you call my name, and you know I'm gonna treat you right You give me fever – when you kiss me, fever when you hold me tight Fever - in the the morning, fever all through the night. Everybody's got the fever, that is something you all know Fever isn't such a new thing, fever started long ago. Romeo loved Juliet, Juliet she felt the same When he put his arms around her, he said "Julie baby you're my flame" Thou givest fever, when we kisseth, fever with thy flaming youth Fever - I'm afire, fever yea I burn forsooth. Captain Smith and Pocahontas had a very mad affair When her Daddy tried to kill him, she said "Daddy-O don't you dare" He gives me fever - with his kisses, fever when he holds me tight Fever - I'm his Missus, Oh daddy won't you treat him right. Now you've listened to my story, here's the point I have made: Chicks were born to give you fever,	Nuncam scient quantum te amo Nuncam scient quantum te curo cum ponis brachia circum me febrem habeo quam acerbe fero Febrem mihi facis cum me osculas, febrem cum me capis et me constringis febrem mane, febrem nocte. Lux solis fulget interdiu, luna accendit lucem nocte Ego incendo cum meum nomen dicis, et scis te optime tractare Febrem mihi facis cum me osculas, febrem cum me capis et me constringis febrem mane, febrem nocte. Omnes febrem habent, hoc bene cognovis. Febris nova res non est, febris iamdiu incepit. Romeus Iulieta amabat, Iulieta idem sentiebat, cum sua brachia circum eam ponuit, dixit: " Iulieta, puella, meus ardor es". Uterque febrem faciunt, cum utrumque osculabant, febrem cum sua ardente iuventute. Febrem – febrem habeo, amburantem febrem. Dux Smith et Pocahontas mala fortuna habuerunt. cum pater tentavit eum necare, ea dixit: " pappa, noli audere", quia is febrem mihi facis cum suis osculis, febrem cum me capis et me constringis febrem – femina sua sum, o pappa, noli ad duellum provocare rursus. Nunc meam fabulam audies, hic est eminens caput: pulli nati sunt ad te febrem provocanda,
