It's close to midnight and something evil's lurking in the dark Under the moonlight you see a sight that almost stops your heart You try to scream but terror takes the sound before you make it You start to freeze as horror looks you right between the eyes You're paralyzed 'Cause this is thriller, thriller night And no one's gonna save you from the beast about to strike You know it's thriller, thriller night You're fighting for your life inside a killer Thriller tonight You hear the door slam and realize there's nowhere left to run You feel the cold hand and wonder if you'll ever see the sun You close your eyes and hope that this is just imagination But all the while you hear the creature creepin' up behind You're out of time 'Cause this is thriller, thriller night There ain't no second chance against the thing with forty eyes You know it's thriller, thriller night You're fighting for your life inside a killer Thriller tonight Night creatures call And the dead start to walk in their masquerade There's no escapin' the jaws of the alien this time They're open wide This is the end of your life They're out to get you, there's demons closing in on every side They will possess you unless you change the number on your dial Now is the time for you and I to cuddle close	Concubia nocte est et aliquid daemoniacum in tenebris insiditur Sub luce lunae habes visionem quae cor retinet Conaris clamare sed terror sonum assequitur antequam facis Coepis congelare dum horrorem inter oculos vides paralysi afficis Quia haec horribilis fabula est, nox terroris Et nemo eripiet e bestia quae te tundabit Scis, horribilis fabula est, nox terroris Pugnas de tua vita in horribile Nocte terroris Audis ostium adducere et advertis Quod nullo loco potes currere Sentis frigidam manum et quaeris videas solem aliquando Oculos comprimis et speras hoc speciem tantum esse Sed paulo post creaturam trahentem post tergum audis Tempus fugit Quia haec horribilis fabula est, nox terroris Non est alter occasio contra rem quadraginta oculi Scis, horribilis fabula est, nox terroris Pugnas de tua vita in horribile Nocte terroris Nocturnae creaturae clamant Et mortui coepunt ambulare cum vestimentis Nunc non est effugium de mandibulis alienigenae Illi ubique sunt Hic extremum vitae tempus est
