I gotta feeling	ego sentio

that tonight's gonna be a good night.	quod hac nox bona nox nox erit
Tonight's the night night	Hac nox nox est
Let's live it up	vive plene
I got my money	pecuniam porto
Let's spend it up	age eam effunde
Go out and smash it	abi vinculaque rumpe,
Like Oh My God	mihi placet, quaeso,
Jump off that sofa,	sella surge,
Let's get get off.	age, a cura libera.
I know that we'll have a ball	certum scio chorea esse
If we get down,	si obtenimus descendere
And go out	et abibimus
And just loose it all	et a tota cura liberabimus
I feel stressed out	fessus sentio
I wanna let it go,	volo me socordiae tradere,
Lets go way out spaced out	abi et distende
And losing all control	omnem iudicium perditum ii.
Fill up my cup	calicem impleram
Mozoltov,	felicitatis
Look at her dancing	inspice quomodo illa movet
Just take it off	et conclude illam captare
Lets paint the town	urbem pingemus,
