Strumming my pain with his fingers, Singing my life with his words, Killing me softly with his song, Killing me softly with his song, Telling my whole life with his words, Killing me softly with his song ... I heard he sang a good song, I heard he had a style. And so I came to see him, To listen for a while. And there he was this young boy, A stranger to my eyes. Strumming my pain with his fingers, Singing my life with his words, Killing me softly with his song, Killing me softly with his song, Telling my whole life with his words, Killing me softly with his song ... I felt all flushed with fever, Embarrassed by the crowd, I felt he found my letters And read each one out loud. I prayed that he would finish But he just kept right on ... Strumming my pain with his fingers, Singing my life with his words, Killing me softly with his song, Killing me softly with his song, Telling my whole life with his words, Killing me softly with his song ... He sang as if he knew me In all my dark despair. And then he looked right through me As if I wasn't there. But he just came to singing, Singing clear and strong.	Scindens meum dolorem cum suis digitis, Canens meam vitam cum suis verbis necans me molliter cum suo cantu, necans me molliter cum suo cantu, legens totam meam vitam cum suis verbis, necans me molliter cum suo cantu... Audivi eum cantum canere, audivi eum orationem habere. itaque adi ut eum videam ut eum paulisper audiam. ecce hic iuvenis est, mirus ante meos oculos. Scindens meum dolorem cum suis digitis, Canens meam vitam cum suis verbis necans me molliter cum suo cantu, necans me molliter cum suo cantu, legens totam meam vitam cum suis verbis, necans me molliter cum suo cantu... Sensi incensa, vehemens, pudorosa cum multitudine Sensi ut is meas epistulas inveniebat magnaue voce eas legebat. precabar quod terminet sed tantum sequitur Scindens meum dolorem cum suis digitis, Canens meam vitam cum suis verbis necans me molliter cum suo cantu, necans me molliter cum suo cantu, legens totam meam vitam cum suis verbis, necans me molliter cum suo cantu... Cantabat ut si me agnoscat in mea obscura desperatione. tunc vidi trans me ut si absim. Sed continuavit cum cantu, canens nitide et fortiter.
