

Nullus mons est satis altus

Departamento de Griego IES Vegas Bajas

Ángel Luis Gallego Real

Listen, baby, Ain't no mountain high, Ain't no valley low, Ain't no river wide enough, baby. If you need me, call me. No matter where you are, No matter how far, Don't worry, baby, Just call my name. I'll be there in a hurry. You don't have to worry. 'Cause, baby, There ain't no mountain high enough, Ain't no valley low enough, Ain't no river wide enough To keep me from getting to you. Remember the day I set you free. I told you You could always count on me. From that day on I made a vow, I'll be there when you want me. Some way, somehow. 'Cause, baby, There ain't no mountain high enough, Ain't no valley low enough, Ain't no river wide enough To keep me from getting to you. No wind, no rain. no winter's cold can stop me baby cause you are my goal! If you're ever in trouble I'll be there on the double Just send for me Oh baby! My love is alive Way down in my heart, Although we are miles apart. If you ever need a helping hand, I'll be there on the double,	Audi, puella, non est summus mons, non est ima vallis, non est latus fluvius, puella. si mei indiges, voca me ubicumque es, quamvis procul sis, noli curare, puella, dic tantum meum nomen. Statim adero noli curare. Quia, puella, Nullus mons est satis altus, nulla vallis est satis ima, nullus fluvius est satis latus ut impedimentum esset ne apud te adeam. Memoriam affer diei quod te liberavi. dixi tu semper mihi credere. Ab illa die ius dedi ero illic ubi velis quocumque modo. Quia, puella, Nullus mons est satis altus, nulla vallis est satis ima, nullus fluvius est satis latus ut impedimentum esset ne apud te adeam. Non est ventus, non pluvia. algor hiemis me retinere non potest, puella quia mea meta es! si aliquando curam habes statim ero tantum mitte apud te o, puella Meus amor vivus est intra meum cor quamquam nos distantes simus si aliquando amicae manui indiges statim ero quam citissime possum.

As fast as I can.

Don't you know that,
There ain't no mountain high enough,
Ain't no valley low enough,
Ain't no river wide enough
To keep me from getting to you.

Nescis,
Nullus mons est satis altus,
nulla vallis est satis ima,
nullus fluvius est satis latus
ut impedimentum esset ne apud te adeam.
