Every breath you take Every move you make Every bond you break Every step you take I'll be watching you	Omnis anima quem respiret, Omnis motus quem facias, Omnis religatio quam rumpas, Omnis passus quem des Te aspiciam
Every single day Every word you say Every game you play Every night you stay I'll be watching you	Omnis dies Omne verbum quod dicas Omnis ludus quem ludas Omnis nox quem maneat Te aspiciam
Oh can't you see You belong to me How my poor heart aches With every step you take	O, nonne videre potes Te meum esse, Quam dolere meum pauper cors Cum omne passu quem das?
Every move you make Every vow you break Every smile you fake Every claim you stake I'll be watching you	Omnis motus quem facias, Omne promissum quod rumpas, Omnis risus quem fingas, Omnis petitio quem facias Te aspiciam
Since you've gone I been lost without a trace I dream at night I can only see your face I look around but it's you I can't replace I feel so cold and I long for your embrace I keep crying baby please	Postquam fuisti perditus sum sine vestigio Noctu somnio, tuam faciem tantum videre possum Circumspicio sed te supplere non possum Frigidus atque remotus sum ut te amplectar Semper lacrimo, amor, quaeso
Every move you make Every vow you break Every smile you fake Every claim you stake I'll be watching you	Omnis motus quem facias, Omne promissum quod rumpas, Omnis risus quem fingas, Omnis petitio quem facias Te aspiciam
