You Are Far When I could have been your star You listened to people Who scared you to death, and from my heart Strange that you were strong enough To even make a start But you'll never find peace of mind, Til you listen to your heart People You can never change the way they feel Better let them do just what they will For they will If you let them steal your heart from you People Will always make a lover feel a fool But you knew I loved you We could have shown them all We should have seen love through Fooled me with the tears in your eyes Covered me with kisses and lies So goodbye But please don't take my heart You are far I'm never gonna be your star I'll pick up the pieces And mend my heart Maybe I'll be strong enough I don't know where to start But I'll never find peace of mind While I listen to my heart People You can never change the way they feel Better let them do just what they will, For they will If you let them steal your heart And people Will always make a lover feel a fool But you knew I loved you We could have shown them all But remember this Every other kiss that you ever give Long as we both live	Longe abes cum potui stellam tuam fuisse, audivisti populum qui multum te terruit, et ex meo corde mirum est te tanta vis esse ut incipiat, Sed nunquam pacem quaeret dum audias cor. Populus nunquam potest mutare modum in quo sentiunt, praestat eos permittere ex animo agere ad voluntatem. Si eis permittes cor rapere, populus semper faciat amantem sentire ut amentem, Sed noveras te amavisse. potuimus id omnibus monstravisse, Debuimus hic amorem vidisse. Amentem reddisti cum tuis lacrimis in oculis, me texisti cum osculis et mendaciis, ergo vale, sed quaeso, noli capere meum cor. Longe abes nunquam ero stella tua. legam fragmenta et meum cor componam, fortasse satis vis habebo. nescio qua incipiam, Sed nunquam pacem quaeram dum audiam cor. Populus nunquam potest mutare modum in quo sentiunt, praestat eos permittere ex animo agere ad voluntatem. si eis permittes cor rapere, populus semper faciat amantem sentire ut amentem, Sed noveras te amavisse. potuimus id omnibus monstravisse Sed hoc memini Quotiescumque oscularis dum vivamus,

When you need the hand of another man One you really can surrender with I will wait for you Like I always do There's something there That can't compare with any other You are far When I could have been your star You listened to people Who scared you to death, and from my heart Strange that I was wrong enough To think you'd love me too I guess you were kissing a fool You must have been kissing a fool.	cum eges alius homini manum, quidam cui vera possis te dedere, te exspectabo ut semper ago, aliquid est non conferendum cum nulla re. Longe abes cum potui stellam tuam fuisse, audivisti populum qui multum te terruit, et ex meo corde mirum est te tanta vis esse ut putare te quoque me amare, facio te osculari amentem, debuisti osculari amentem
