I see trees of green, red roses too I see them bloom for me and you And I think to myself what a wonderful world. I see skies of blue and clouds of white The bright blessed day, the dark sacred night... And I think to myself what a wonderful world. The colors of the rainbow so pretty in the sky Are also on the faces of people going by I see friends shaking hands saying "how do you do?" They´re really saying I love you. I hear babies crying, I watch them grow They´ll learn much more than I´ll never know... And I think to myself what a wonderful world Yes I think to myself what a wonderful world.	Arbores virides video, rubras rosas quoque eas florentes tibi et mihi video et delibero quam mirabilis orbis. Caeli caerulei et albae nubes video fulgorem beati diei, umbra sacrae noctis et delibero quam mirabilis orbis. Colores arcus pluvii, tam pulchri in caelo Sunt quoque faciei populi transeuntis video amicos iungentes dextras, dicentes "quomodo vales?" vero dicunt "te amo". infantes plorantes audio, eos crescentes video Ei discentmultum quam nunquam cognoscam et delibero, quam mirabilis orbis. ita vero, delibero quam mirabilis orbis.
