

Take a breath, take it deep Calm yourself, he says to me If you play, you play for keeps Take a gun, and count to three I'm sweating now, moving slow No time to think, my turn to go And you can see my heart beating You can see it through my chest And I'm terrified but I'm not leaving Know that I must must pass this test So just pull the trigger Say a prayer to yourself He says close your eyes Sometimes it helps And then I get a scary thought That he's here means he's never lost And you can see my heart beating You can see it through my chest And I'm terrified but I'm not leaving Know that I must must pass this test So just pull the trigger As my life flashes before my eyes I'm wondering will I ever see another sunrise? So many won't get the chance to say goodbye But it's too late too pick up the value of my life And you can see my heart beating You can see it through my chest And I'm terrified but I'm not leaving Know that I must must pass this test So just pull the trigger.	Respira, profonde respira Quiesce, is mihi dicit Si ludis, lude ad te remanendum Arma capie et numera tribus Nunc sudo, lente movens Non est tempo cogitandi, mea est pars ire Et tu meum cor pulsantem videre potes Trans pectus eum videre potes Territa sum sed non abibo Scio me superandum esse argumentum Ligulam adducam tantum Precem tibi funde Is dicit: oculos comprime Interdum iuvat Et tunc horrendum cogitatum habeo Quod is hic est Is nunquam perditus est Et tu meum cor pulsantem videre potes Trans pectus aum videre potes Territa sum sed non abibo Scio me superandum esse argumentum Ligulam adducet tantum Ubi mea vita ante meos oculos palpebrat Intra me interrogo si iterum videam ortum Simul ac multi occasionem amittunt valedicendi Sed sero est ad me legendum valorem vitae
