My heart's a stereo It beats for your, so listen close Hear my thoughts in every note Make me your radio Turn me up when you feel low This melody was meant for you Just sing along to my stereo If I was just another dusty record on the shelve Will you blow me off and play me like everybody else If I ask you to scratch my back, could you manage that Like it read well, check it Travie, I can handle that Furthermore, I apologize for any skipping tracks This the last girl that play me left a couple cracks I used to used to used to used to, now I'm over that Cause holding grudges over love is ancient artifacts If I could only find a note to make you understand I sing a song and the image grab me by the hands Keep myself inside your head, like your favorite tune And know my heart is a stereo that only plays for you My heart's a stereo It beats for your, so listen close Hear my thoughts in every note Make me your radio Turn me up when you feel low This melody was meant for you Just sing along to my stereo Oh oh oh oh To my stereo Oh oh oh oh So sing along to my stereo If I wasn't old school, fifty pound boombox Would you hold me on your shoulder, wherever you walk Would you turn my volume up before of the cops And crank it higher everytime they told you to stop And all I ask is that you don't get mad at me	Meum cor stereophonicum est tibi palpitat, itaque comminus audi cogitationes audi quaque nota Fac mihi tuum radiophonum accende cum tristis es hic modus tibi est tantum canta apud meum stereophonicum. Si essem alium discum plenum pulveris in tuo armario longe iacias et me tangeas ut ceteri Si tibi petam quod scabas meum tergum, id agere possis ut bene legis, id proba Travie, id agere possum praeterea, me scuso si salto cantus postrera puella quae mihi tetigi lineas relinquit solebat uteri ut uteri ut id uteri, nunc id superavi quia servato odio de amore vetum artefactum est. Si tantum possim invenire notam quae intellegis Canticum canto et imago subicit a manis mihi poni capite ut modum quem diligit et intellege meum cor stereophonicum tantum tibi sonare Meum cor stereophonicum est tibi palpitat, itaque comminus audi cogitationes audi quaque nota Fac mihi tuum radiophonum accende cum tristis es hic modus tibi est tantum canta apud meum stereophonicum. Oh oh oh oh stereophonico Oh oh oh oh itaque canta apud meum stereophonicum Si non essem antiquae scholae, quinquaginta libellae radiophoni sustineres in umero ubi ambulares demitteres vim priusquam id facerent custodes et id accederes quotiescumque postulent te morari
