I threw a wish in the well, Don't ask me I'll never tell, I looked at you as it fell, And now you're in my way... I trade my soul for a wish, Pennies and dimes for a kiss, I wasn't looking for this, But now you're in my way... Your stare was holding, Ripped jeans, Skin was showing, Hot night, Wind was blowing, Where you think you're going, baby?... Hey I just met you, And this is crazy, But here's my number, So call me maybe, It's hard to look right, at you baby, But here's my number, So call me maybe... Hey I just met you, And this is crazy, But here's my number, So call me maybe, And all the other boys, Try to chase me, But here's my number, So call me maybe... You took your time with the call, I took no time with the fall, You gave me nothing at all, But still you're in my way... I beg and borrow and steal, At first sight and it's real,	Cupidinem puteo ieci noli quaerere, non tibi dicam, te aspexi dum cecidit et nunc in mea via es... animam cupidine vendidi sestertiis assisque osculo, id non quaesivi, sed nunc in mea via es... Contuitum sustinuisti, bracis rudis scissis, cutem ostendens, calida nocte ventus flabat quo existimas ire, puer? O, tantum te cognovi, et id dementia est, sed ecce meus numerus telephonicus, itaque telephona ad me si vis difficile est oculis aspicere, te puer, sed ecce meus numerus telephonicus, itaque telephona ad me si vis... O, tantum te cognovi, et id dementia est, sed ecce meus numerus telephonicus, itaque telephona ad me si vis Et ceteri pueri me venari tentant sed ecce meus numerus telephonicus, itaque telephona ad me si vis... Moram fecisti ad telephonandum, Ego nihil ad amorem cadendum, nequaquam aliquid mihi dedisti, sed adhuc in mea via es... Obsecro, postulo et rapio, exspecto et verum est,
